Family Medicine Physician – Île-de-France, France

Global Working is a recruitment agency authorized by the Ministry of Labor and certified with the ISO 9001 quality standard. We are leaders in the healthcare sector, as more than 2,500 healthcare professionals have taken advantage of our job opportunities in Europe and make up the Global Workers community. Here you can meet some of them: http://www.globalworking.net

We are currently collaborating with healthcare facilities in Île-de-France and other regions with high demand, offering the following conditions:

- Salary starting from €8,000 gross per month (approximately €6,000 net per month).
- After covering housing and regular living expenses, average monthly savings of approximately €2,000–€3,000, depending on accommodation type and lifestyle.
- Reasonable workload, with around 25–30 patients per day and very limited on-call duties.
- Approximately one week of on-call duty per month (nights and weekends), with possible on-site interventions.
- Location in **Île-de-France** (Paris region).
- Executive-level employment status (*statut cadre*) with an annual working-days arrangement (approximately 213 working days per year), 39 hours per week, 2 days off per week, 25 days of annual leave plus approximately 15 additional rest days (RTT).
- Permanent full-time French employment contract, 13th-month salary, potential bonuses and profit-sharing schemes, paid on-call availability (approximately €650 per week), and supplementary health insurance.
- Personalized career management and comprehensive support with professional qualification recognition, relocation, initial accommodation, and French language training.

Responsibilities

- Ensure ongoing medical follow-up of patients and maintain high standards of quality and safety in patient care.
- Participate in the implementation of the healthcare facility's medical project.
- Work collaboratively with a multidisciplinary team.
- Contribute to quality improvement policies and participate in medical committees.

Requirements

- Official university degree in Medicine.
- Specialization in Family and Community Medicine.
- Registration with the French Medical Council (*Ordre des Médecins*), or eligibility for registration.
- Professionalism, a strong sense of responsibility, and the ability to work effectively as part of a team.
- **B2 level of French.** If you do not yet meet the required language level, we offer a tailored language and cultural training program to help you prepare and successfully integrate into your new professional environment.

With the Support of Global Working

- Specialized French language training for healthcare professionals.
- Over 2,000 Global Workers already working across Europe.
- Comprehensive support throughout the entire process, including professional qualification recognition procedures and assistance upon arrival.
- ISO 9001 certification in recruitment and training for professional integration in Europe.
