Rehabilitation Specialists for Île-de-France and the Occitanie region

Global Working is a recruitment agency authorized by the Ministry of Labor and certified with the ISO 9001 quality standard. We are leaders in the healthcare sector, as more than 2,500 healthcare professionals have taken advantage of our job opportunities in Europe and make up the Global Workers community. Here you can meet some of them: http://www.globalworking.net

Description

We are seeking rehabilitation specialists to work in France, where you will enjoy job stability, professional recognition, and a high-quality work environment.

- Permanent contract, approximately 39 hours per week.
- Starting salary of at least €9,500 gross per month.
- Locations available in **Île-de-France** (the Paris region) and in the **Pyrénées-Orientales** department (the **Occitanie region**), particularly on the Mediterranean coast (around 30 km from Perpignan Airport or approximately 160 km from Barcelona).
- On-call shifts paid in accordance with current agreements (depending on the facility).
- Approximately 1 week of on-call duty per month (nights and weekends), with possible in-person interventions.
- Management status (cadre au forfait) – 213 working days per year.
- 13 monthly paychecks, additional days off (RTT), profit sharing.
- Participation in the Social and Economic Committee (with various benefits and discounts).
- Supplementary health insurance.
- Full administrative support (registration with the Medical Board and regulatory procedures).
- Support with settling in France.
- Introduction to the French healthcare system to facilitate integration.

Responsibilities

- Ensure the smooth operation of the rehabilitation service.
- Organize admissions based on patients' clinical condition.
- Coordinate rehabilitation programs with the multidisciplinary team.
- Ensure the quality of care and proper management of medical records.
- Participate in medical committees and the management of the center.
- Contribute to PMSI coding and activity monitoring.

Requirements

- Official bachelor's or master's degree in Medicine.
- Specialization in Physical Medicine and Rehabilitation.
- Registration (or eligibility for registration) with the French Medical Association.
- Diligence, a sense of responsibility, and the ability to work in a team.
- B2 level of French, English or Spanish. If you do not have the required level of French, we offer a tailored language and cultural training program to prepare you and help you integrate successfully.
